

A LYNCHING IN ALABAMA.

Charles Humphries shot to Death on Sunday.

COLUMBUS, Ga., March 19.—Charlie Humphries, a negro who had attempted to outrage a young white girl, was shot to death by a mob yesterday.

Saturday night Humphries concealed himself in the bedroom of Miss McCoy, the 16-year-old daughter of Mr. Fee McCoy, a well known farmer, who resides 10 miles west of Columbus, and when the young lady went to her room to retire he seized her, but her screams brought assistance and the assailant fled. A posse started out to find the negro, who was recognized by one of the family as Humphries.

Yes-erday he was surrounded and captured. He confessed to the deed and was shot.

LYNCHING AT MARIETTA

John Bailey Taken From the Jail and Shot.

MARIETTA, Ga., March 19.—John Bailey, who was arrested last week and lodged in jail charged with attempting to assault Miss Snellgrove, was taken from jail and shot Saturday night. His wounds are fatal.

Two balls struck near the spinal column—one between the shoulders and one about the middle of the back—two entered under the right shoulder blade, one in his left side, one under the left ear, two in the upper right arm and one in the left leg.

The mob thinking Bailey was dead left him where he fell. He was afterwards found by the sheriff and medical aid summoned.

Disastrous Track Slide.

JACKSON, Miss., March 19.—There was a disastrous track slide on the Illinois Central railroad, 1 mile south of this city, about midnight last night, and all trains are delayed several hours. The southern passenger and freight trains now proceed to New Orleans over the Yazoo and Mississippi Valley road.

Death of Frank Pooler.

LaCROSS, Wis., March 18.—Frank Pooler, capitalist, lumberman and politician of Onalaska, Wis., was stricken with paralysis Saturday night at Savannah, Ill., dying there last night. The remains arrived here for interment. He was 53 years old.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. Williams, of Manchester, Mich., tells how such a slave was made free. He says: "My wife has been so helpless for five years that she could not turn over in bed alone. After using two bottles of Electric Bitters, she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. This miracle working medicine is a godsend to weak, sickly, run down people. Every bottle guaranteed. Only 50 cents. Sold by W. A. D'Alemberte, Druggist.

Shot D. W. by a Negro.

BIRMINGHAM, Ala., March 19.—A special to The News from Meridian, Miss., says that Howard Culpepper, a prominent young farmer, residing near Tombasak, was shot and killed last night by an unknown negro, whom he had gone to arrest.

Big Fire at Prattville.

PRATTVILLE, Ala., March 19.—Prattville was practically destroyed by fire this morning, 19 stores being burned.

Rev. John Reid, Jr., of Great Falls, Mont., recommended Ely's Cream Balm to me. I can emphasize his statement. "It is a positive cure for catarrh if used as directed."—Rev. Francis W. Poole, Pastor Central Pres. Church, Helena, Mont.

After using Ely's Cream Balm six weeks I believe myself cured of catarrh. Joseph Stewart, Grand Ave., Buffalo, N. Y.

The Balm does not irritate or cause sneezing. Sold by druggists at 50 cts., or mailed by Ely Brothers, 56 Warren St., New York.

Thomas Darragh of Granite Mountain, Tex., claims to be the oldest Republican voter living. He is 98 years of age.

Walter Rothschild is one of the few members of parliament courageous enough to disdain the unwritten laws of the house of commons in matters of dress.

President Loubet of France says that when his term of office ends he will not seek re-election, but will retire to his old home farm, and there end his days in peaceful retirement.

Captain Gordon Chesney Wilson, who was wounded in South Africa, had the pleasure of being reported by the British war office on the wounded list as "Lady Wilson's husband."

Congressman J. C. Needham of California began to collect postage stamps when he was a small boy and has never given up his collection, which is now one of the best in the United States.

After two terms in congress Charles Franklin Sprague of Massachusetts proposes to retire from public life. He is satisfied with his experience. His wealth is estimated as high as \$20,000,000.

Russell Sage has two pet kittens of which he is very fond. They are brought in to see him every morning after breakfast and every evening after dinner and are most attached to him.

General Methuen, the British commander, and Mrs. Joubert, wife of the Boer leader, are said to be natives of the same English town, Corsham, from which Mrs. Joubert emigrated to South Africa early in life.

Representative Klutz is a lawyer by profession, but is actively identified with many large business projects in his district in North Carolina. Among other projects Mr. Klutz is interested in the cotton industry and manufacture.

General Joubert, by way of being a humorist, complains that the English countermanded an order to attack his troops without notifying him, and thereby deprived him of a whole night's sleep.

When Hamlin Garland reached New York with his bride and registered at a hotel, he wrote "Hamlin Garland" on one line of the book and "Zulime Taft Garland" on the line below it. This, he explained to a reporter, was to avoid concealing the identity of his wife, who is a sculptor.

Senator Tillman made his reputation in the senate as an extempore speaker, and he was considered to be one of the best in congress. Lately, however, he has become more careful, and whenever he wishes to speak on a set subject he always carefully prepares his speech beforehand and commits it to memory.
